

## **BEHAVIOUR POLICY**

We expect all children -

- to treat others as they wish to be treated
- to be polite to coaches and each other
- to respect the equipment and facilities

We do not tolerate bullying of any kind.

We do not tolerate naughty/destructive behaviour which inhibits the learning and enjoyment of others, therefore we operate a 2 strike rule.

1. First instance - given the option to behave appropriately or have parents called. You may be asked to sit out to consider your actions for a period of time ("Time Out")

2. Second instance - you will be taken to the Camp Manager and the situation explained. The decision may be made to call your parents.
